# Trustees Note

Dear All,

Suryodaya Trust is thrilled to share the completion of our new school building in Bhuigaon Vasai. We express our heartfelt gratitude to RBL Bank and our generous donors whose invaluable contributions have made it possible to establish a technologically advanced and fully equipped school tailored to meet the needs of our special children.

In our newly established school, we've meticulously designed each floor to cater to the diverse needs of our special children and dedicated staff. With nine classrooms, a Computer room, Toy & Occupation Therapy room, Library, Medical room, Vocational Training Centre, and handicap-friendly washrooms, we've ensured a conducive environment for both learning and comfort. Furthermore, we've introduced an assessment center, accessible to children beyond our school, at a nominal cost, extending our commitment to fostering growth beyond our immediate community.

Addressing the challenge of space constraints that hindered admissions in our Nalasopara premises, our new school now boasts the capacity to enroll over 120 children. This expansion not only reflects our dedication to accommodating more students but also signifies our readiness to embrace growth and inclusivity in our educational journey.

As we set foot on this thrilling new path, we eagerly anticipate the reopening of the school for the upcoming academic year, eager to witness the joy on our students' beautiful faces as they explore our facilities. My heartfelt appreciation and best wishes extend to all involved. Let us join hands in crafting a brighter future for our children and community through collaboration and dedication.

Gratefully and optimistically,

B. C. Maheshwari,  
Trustee,  
Suryodaya Trust.
